As Plaintiff, Robert E. Lee, in pro~se, and citizen of United States has a Complaint for a Civil Case. The Basis for Jurisdiction is in this Honorable Federal court. With the limited power the United States Constitution or federal laws or treaties is a **federal question** and case. **Under 28 U.S.C. 1332.** Where a citizen, Robert E. Lee, in one State sues a citizen in same State but Headquarters are in another state. Paul, AKa., Employee, Sale Representative, in his full; and personal capacity, and Metro PCS, the

Sara Lee Corp.*, 983 F.2d 824, 829, 25 U.S.PQ.2d (BNA) 1336 (8th Cir. 1992) Relevant or appropriate to what is being done or considered pertinent to the time, and appropriate to the current time.

Plaintiff Lee, has an Assume name for Business his work is coming along slow through the years.

Collecting his arts and literature through Copy Rights, and his certificate as a license.

This form of disrespect is worse than evil axis leading to wars. Bullying employees if understanding what vicarious liability means for employers.

Vicarious liability refers to a situation where someone is held responsible for the actions or Omissions of another person. In a work place content, and employer can be liable for the acts or omissions of its employees provided it can be shown that they took place in the course of their employment.

Many employers are unaware that they can be liable for a range of actions committed by their employee in the course of their employment these can include bulling, and harassment disable or even or discriminatory acts or even libel and breach of copyright. It is possible to take action against an employer for his behavior of third parties are deemed to be under the control of the employer, that is a

personal capacity and can be sued. There is no known last for name at this time.

The amount in controversy --the amount plaintiff claims the defendant owes or the amount at stake is more than \$75000. Not counting interest and cost of court, because (explain): Each copyright art, or each liability for excused even if the infringing act were committed unintentionally or innocently.

### Statements of Facts

MetroPCS Communications Inc. (NYSE PCS). The nation's leading provider of no annual and year ended December contract. Unlimited, flat rate wireless communications service today announced financial and operational result for the quarter 3, 01 2012. Metro reported record Adjusted EBITDA of over \$1.5 billion an increase of 14% over 2011 and ended 2012 with approximately 8.9 million subscribers.

After being agreed upon to receive a replacement cell phone a Samsung on5 model. I went to a corporate store on 21370 Grand River Avenue, Detroit, Michigan 48219 (734)444-0811 direct. I first complaint to FCC because of bad service in my home in communication using my cell phone I had not had it a year (exhibits)

I went into the store made myself known as the complaint in need of a new phone. When talking to or being waited on by (Paul AKA,) Sale representative, I explained my reasons there and I have a lot of appointments over the phone and they are interfered with if shown him the reason of use . of my phone my talents, hobbies, business, and photos literature of art copyrights: HE SAID SOMETHING EXCITED TO ONE OF HIS OTHER COWORKERS, SAYING, "LOOK!, LOOK!, LOOK AT THIS ." They did not respond laughing as he looked as if he wanted them too! I came back with my cell phone I've had talk

to many customer service corporate offices from Texas, Illinois, and 1877-289-6727 number, once asking for one month service free, because of several lost calls and business appointments. Metro did grant me one month free service because of all my problems. Verizon Wireless while okaying me for a service, The Sales Representative explain to me about if I had a Google account it may be able to become back, and it did. "Thank God." That was part of my knowledge of being brought up a Jewish parent of appreciation.

Now that I'm appalled not like from a child or little girl that has been blogging about the family telling embarrassing stores. I'm appalled, from family, and society hating, and lying, and stealing, and helping others infringe on my rights, and to hold me back. (Singling me out by discriminating women.) That is a separate law suit that should be filed. I'm not a lunatic; and I've achieved, and accomplished a lifelong education of successful knowledge. My complaint against others are only getting what they deserve being talked about. They're stealing from me, and lying on me, and not hired me in 25 years. So Afro-American's, and their associates so don't try to impress someone now. They've been holding back money from me, and hating of me not to get any period!!! Boycotting, striking against, and discriminating. Being pamper and by using a 360 degree appraisal, "it is like 1 against a million" They need not to impress someone now I am a senior citizen.

On Webster>dictionary: illicit occasionally confused with elicit because of the similarity y in successfully their pronunciations but dated copy right infringement will not. Paul, Aka. Sales Representatives, out of his employers business to avoid helping me get me a copyright back, and it can now be distribute to Florida, Tennessee, Ohio, Texas, and Canada. I'm appalled! Metro PCS, increases daily. And can be Monetized" making Metro PCS, a potentially attractive acquisition for larger, more established firms

By contrast, the issue of vicarious liability for copyright increases daily and can be "monetized" make Napster, Inc. a potentially attractive acquisition for larger, more established firms. Napster Inc.'s value ---which is measured, at least in part, by the size of its user base---lies between 60 and 80 million dollars. Defendant obtained substantial capital infusions after the onset of this litigation. For

example, in May 2000, the venture firm Hummer Winblad purchased a twenty -percent ownership interest in the company for 13 million dollars; other investors simultaneously invested 1.5 million dollars.

Napster retains the right to control access to its system. *A&M Records, Inc. v. Napster, Inc.*, 239 F.ed 1004, 1023, 57 U.S.P. Q.2d (BNA) 1729 (9th Cir. 2001), as amended, (Apr. 3, 2001) Stating that "[t]o escape imposition of vicarious liability, the reserved right to police must be exercised to its fullest extent, *A&M Records, Inc., v. Napster, Inc.*, 239 f.3D 1004, 1023, 57 U.S.P. Q. 2d (BNA) 1729 (9th Cir. 2001), as amended, (Apr. 3, 2001) the analogized the Napster facts to *Fonovisa, Inc. v. Cherry Auction, Inc.*, where owner of premises and had for swap meets who profited by charging rent to others who trafficked in infringing materials was held vicariously liable where the owner could control access to premises and had knowledge of the trade in counterfeit records. The Ninth Circuit concluded that Napster's "ability to locate infringing material listed in its search indices, and the right to terminate users' access, and the right to terminate access, and to the system were sufficient for Napster to be vicariously liable for the infringements of its users.

Vicarious liability; Napster sole discretion with or without cause. A&M.

Vicarious liability refers to a situation where someone is held responsible for the actions or Omissions of another person. In a work place content, and employer can be liable for the acts or omissions of its employees provided it can be shown that they took place in the course of their employment.
